

ES-330

Bringing Back a Classic

The new Gibson ES-330 in a Sunset Burst finish is designed with historic hollow-body features at heart. This impressive guitar incorporates modern enhancements like an ABR-1 bridge with titanium saddles, and a hand-wired control assembly paired to our MHS P-90 pickups with hum-canceling capabilities. The Vintage Style White Oval Button tuners and Thinline Trapeze tailpiece conjure a classic Gibson look.
