

Firebird Custom

Fluid lines and massive tone with elegant appointments.

The 2017 Firebird Custom retains the signature streamlined shape that makes it one of Gibson's most visually enticing guitars while adding modern features for more tonal "umph." Its matched 490/498 pickup set and solid mahogany body deliver a punchy, clarity of voice that easily turns aggressive based on the player's level of attack. It all adds up to a very expressive guitar adorned in Gibson's elegant Custom appointments and available in limited quantity.
