

Les Paul Custom

Modern voice with a classic soul.

The 2017 Les Paul Custom effortlessly lives up to the high standards set by its 1950s archetype while evolving to a level of tone and performance more suited to today's musical demands. Beneath the layers of its "tuxedo" appointments lies the crisp, edgy voice of a matched 490/498 humbucker set, a long neck tenon for maximum sustain and a two-piece maple top over a solid mahogany body that adds the perfect amount of bite to everything from jazz to hard rock.
